

# BEECHWORTH HONEY

## Where does your honey come from?

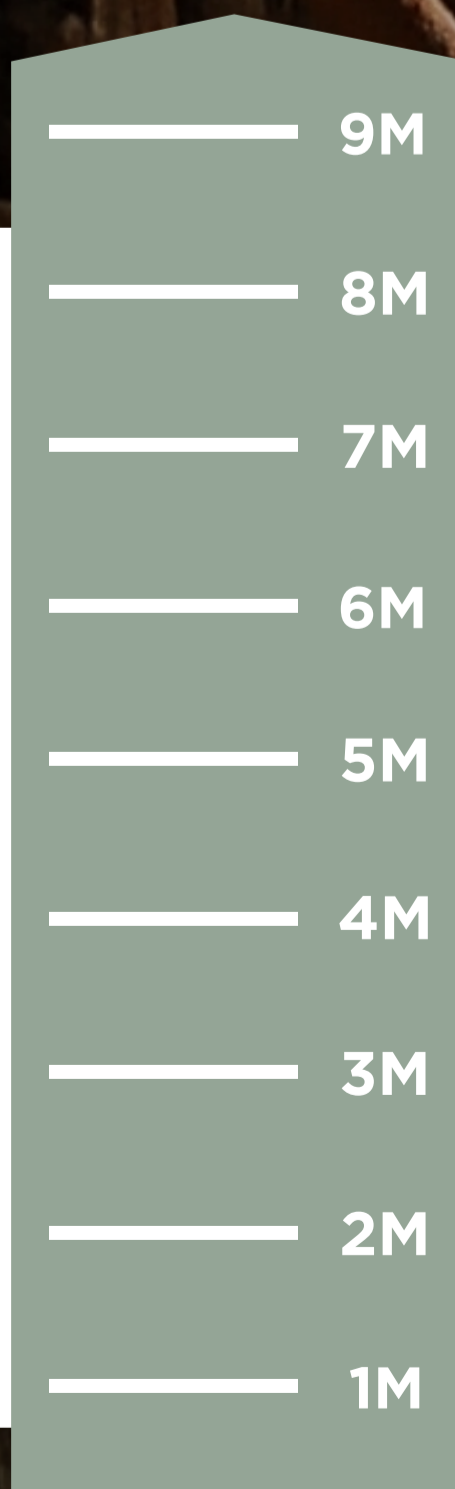

All honey sold in Australia will have a Country of Origin label on it, proving its origin and quality! Always look for 100% Australian honey!

### Did you know!

Over the last 12 months, Australia imported over 9 million kilograms of honey!

**9M**  
KILOS

This is the equivalent of:

**22.5**  
MILLION  
400G  
BOTTLES  
OF HONEY

**43%**

of the honey  
Australia imports  
comes from China
